

**RE: REQUEST FOR PARTNERSHIP**

Warm greetings from Uganda Christian Lawyers' Fraternity (UCLF).

UCLF is a Non- Government Organization seeking justice for all in society through the provision of legal aid, legal education, research and policy advocacy.

With its offices in Kampala, Kasese, and Gulu, UCLF provides legal sensitization about the law and human rights in communities, radios stations, prisons, court cells and Police cells. Through this intervention over the past one year more than 21,480 people benefited and were in position to locally resolve their disputes, prevent crime, prisoners represented themselves in court more effectively.

We apply alternative dispute resolution mechanisms such as mediation, legal advice and legal counselling to help people resolve their disputes. Through this intervention over the past one year we had more 3000 beneficiaries and 95% of the mediations were successful hence led to reduced conflict in the communities.

We also do court representation in both civil and criminal matters; over 2000 indigent children and adults were assisted to obtain legal remedies from Courts of Law. In Uganda, the poor and vulnerable people face several barriers in accessing justice; including limited awareness of the law, legal procedures and high cost of retaining services of a lawyer in Court.

We therefore request for financial support either through payment of your UCLF membership subscriptions of 100,000/= for the year 2017/18 and/or sponsorship of one or more cases this year at the rate of 500,000 per case. Your support will assist the poor and vulnerable people in Uganda to access conflict resolution institutions and intermediaries and legal remedies. With a grant of Ug shs. 60,000,000 we can enable 120 indigent persons (30 litigation and 90 alternative dispute resolution cases) resolve their disputes annually.

In order to realise the above output each case averagely costs UGX 500,000 which covers part of the advocates monthly salary, litigation costs and administrative costs. Your annual subscription alone of UGX 100,000 on average gets two cases filed in court.

Your support will be highly appreciated.  
Faithfully,

Daniel R. Ruhweza

**A Story Of Success**

Through court process a widow like Sophia Biira in Kasese was assisted to recover her land after a fraudulent sale by her son.

“ Ever since your lawyers helped me secure my land from Asaba I can now sleep and smile because i have where to look at as my own. God will surely bless you for me and the organization will continue to grow so it helps widows out there.”  
*Sophia says and smiles.*
